
Volunteers' Week

Volunteers' Week 1st-7th June 19 gives us the opportunity to say 'thank you' to our amazing volunteers. Volunteers lend their time and expertise to support carers in their local communities.

Carers volunteer for a whole variety of reasons but most want to do something useful and help others. It's a great way to make new friends, try something different and learn new skills. You can read about the experiences of one of our volunteers in the health and wellbeing page in our Summer 19 magazine <http://ow.ly/Be6A50unC1X> If you would like to find out more information about volunteering with us visit our website: <https://devoncarers.org.uk/get-involved/volunteer-with-us/how-will-volunteering-help-me/>

Devon Carers has a wide range of volunteering roles available, the process is easy and starts with a phone call or email to Tracy Thompson our Lead Practitioner for Volunteering and Social Action. She will explain the roles available and the training and support we have on offer. We can make sure that we use your skills and the time you can give to find a role which suits you best.
